MEMORANDUM FOR: Logistics Services Division

THROUGH : Office of ELINT

SUBJECT : Soundproofing 2F25 Area

1. The Operations Staff, Office of ELINT recently occupied the area immediately adjacent to the guard check point in the F corridor of the second floor. Because this area is inadequately sound proofed, sounds are transmitted from within the 2F25 area to the guard room and the corridor beyond.

2. It is requested that your office survey this area and take whatever action necessary to soundproof the guard room so as to prevent the transmission of voices outside 2F25.

MEMORANDUM FOR: Dr Orville

The problem we discussed several weeks ago has bogged down. This week I discussed the matter with [redacted] OSA Security, and he has indicated he can handle the clearances if he gets a note from you. We wish to get going now in order to develop the computer program and to collect radar data on other vehicles for final calibration with an "A" when it goes.
